Brand and client strategist with cross-functional expertise with a hands-on approach to execution, prototyping and cross-cultural collaboration.

PROFESSIONAL EXPERIENCE

Operations Support Manager · Red Ninja California Apr – Sep 2025

Food & beverage enterprise startup

- Identified gaps across vendor cost structures, scalability, and reporting infrastructure; led full evaluation and selection process, implementing core operational systems end-to-end.
- Uncovered pricing inefficiencies across vendor contracts and led renegotiations, reducing operational costs by 46%.
- Managed onboarding and integration of POS systems, IT infrastructure, and supply chain partners across cross-functional teams.

Senior Operations & Client Experience Coordinator · CH Premier Jewelers · Patek Philippe California Jan 2023 – Mar 2025

↑ Promoted from Operations Specialist (Feb 2021 – Jan 2023)

- Diagnosed salesfloor workflow bottlenecks and redesigned the operational model, improving process efficiency by 27% within the first year.
- Identified gaps in client follow-up and launched tailored experience initiatives, driving a 19% increase in retention over a fiscal year.
- Streamlined scheduling and cross-team workflows, increasing operational efficiency by 32% year-over-year.
- Built expense and revenue tracking reports to surface cost leakage and inform senior leadership budgeting decisions.
- Led end-to-end planning and execution of high-profile brand events in alignment with Patek Philippe luxury standards.
- Presented a structured workflow redesign proposal to leadership, securing approval and buy-in for full implementation.
- Coordinated full boutique relocation with zero client service disruption, overseeing cross-functional logistics and on-site IT infrastructure.

Healthcare Coordinator · Stanford Health Care (Contract) California Mar 2020 – Jan 2021

- Deployed during COVID-19 surge to support administrative continuity; streamlined patient intake workflows and cross-departmental coordination under rapidly evolving protocols.

Accessible Technology Assistant · San Jose State University California Aug 2017 – Jul 2019

- Converted course materials into accessible formats for students with disabilities, maintaining a 98% student approval rating.
- Developed inclusive educational content aligned with diverse learning needs; supported university-wide accessibility initiatives.

EDUCATION

Master of Management (Expected 2027) · Peking University HSBC Business School Shenzhen, China

Thesis: Consumer behavior and digital branding in web contexts — examining brand perception, UX strategy, and marketing effectiveness.

B.A. Design Studies, Minor in Business · San Jose State University San Jose, CA

Study Abroad · Waseda University, Tokyo, Japan

Graduate Gemologist (G.G.) · Gemological Institute of America Carlsbad, CA

ADDITIONAL EXPERIENCE

Stage Manager — Managed scheduling, crew, technical cues, and full production logistics across 10+ theatrical productions from high school through university.

Overseas Office Coordinator — Thousand Shores LLC (2020): Streamlined admin and inventory workflows; coordinated cross-border operations between U.S. and China teams.
